Fee Schedule and Rates

The individual performing these duties is a seasoned professional with the education, training, and experience needed to get the job done. He is a Certified Professional Accountant, Certified Government Finance Officer, and a Certified Public Finance Officer. If selected, the CCOC will receive Chief Finance Officer (CFO) experience without CFO expenses. Thus, BPMC contends that the rate offered in this proposal would be difficult, if not impossible, for most other firms to match.

BPMC understands and accepts all of the requested services in the Financial and Accounting RFP for the CCOC. BPMC offers its' services to the CCOC at a negotiable rate not to exceed the maximum of \$100/hr. in year one, \$105/hr. in year two and \$110 in year three. It is anticipated that the blended hourly rate for all duties under this category will be in the \$85/hr to \$90/hr range.

This offer is irrevocable and will remain in effect during the entire evaluation period.

Sincerely,

Bill Bogan Jr., CPA, CGFO, CPFO
